DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

- The primary reasons for allowance for claims 10-12, 14-25, 27-32 are the inclusion of the limitations of a printhead arrangement and a method of forming a printhead arrangement comprising a first printhead assembly including a first carrier, a first plurality of printhead dies each mounted on the carrier and adapted to print a first color, and a second plurality of printhead dies mounted on the carrier and adapted to print a second color and an in-line and fully overlapping second printhead assembly including a second carrier, a third plurality of printhead dies printing a third color and a fourth plurality of printhead dies printing a fourth color. It is these limitations, either alone or combined as claimed that haven't been taught, found, or suggested by prior art.
- The primary reasons for allowance for claims 33-39 are the inclusion of the limitations of a printing method comprising the steps of ejecting a first color ink and second color ink from a first and second plurality of printhead dies of a first printhead assembly and ejecting a third color ink and fourth color ink from a third and fourth plurality of printhead dies of a second printhead assembly. It is these limitations, either alone or

combined as claimed that haven't been taught, found, or suggested by prior art.

- The primary reasons for allowance for claims 40-41 are the inclusion of the limitations of a printing method comprising the steps of supplying different ones of black, cyan, magenta, and yellow inks to a first plurality of printheads of different ones of printhead assemblies in a first order, supplying different ones of black, cyan, magenta, and yellow inks to a second plurality of printheads of corresponding ones of the printhead assemblies in a second order reversed from the first order, wherein the printhead assemblies are in-line and each including the first plurality of printheads and the second plurality of printheads. It is these limitations, either alone or combined as claimed that haven't been taught, found, or suggested by prior art.
- The primary reasons for allowance for claims 42-46 are the inclusion of a printhead arrangement comprising means for printing a first color and second color with a first printhead assembly and means for printing a third and a fourth color with a second printhead assembly in-line with a and fully overlapping the first printhead assembly, and means for printing the first color and the third color with a first area and printing the second

color and fourth color within a second area adjacent the first area. It is these limitations, either alone or combined as claimed that haven't been taught, found, or suggested by prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
